a commission slot for one completely customizable type 1, type 2, or trucker style jacket comprised of high quality selvedge denim or leather comes at a flat rate of:

\$325

zero sales tax and free shipping for domestic clients. international shipping is available for an additional \$45.

to reserve a commission slot, you must submit a commission request form, where you'll briefly describe your design idea. in the event your request is accepted, i'll send your invoice via your preferred method of contact, to be paid within 48 hours. available methods of payment are zelle (preferred), paypal, and apple pay.

all commissions are handmade by me, please allow 8-12 weeks for production to begin. if you'd like to make changes to your design at any point before i begin (you will, i promise), don't hesitate to ask.
